## CURFEW TIMES

- **Age 14 – 16** Sunday – Thursday – 23:00 hours  
Friday & Saturday – 00:00 hours
- **Age: 17 and Over** Sunday – Thursday – 00:00 hours

## ALCOHOL CONSUMPTION

The consumption of alcohol by Junior students is not allowed. Students who consume alcohol risk being expelled from EC and repatriated to their home country at their own expense.

## DRUGS

The consumption and/or possession of any illegal drugs will result in the immediate expulsion and repatriation of the student at their own expense. The intervention of the police may also be necessary in such an event.

## SMOKING

The legal age for smoking in Malta is 18 years. Smoking is NOT allowed at any time during this programme.

## CUSTOMER COMPLAINTS

At EC, we endeavour to provide our students with the highest possible level of service. If, however, a student is unsatisfied with any aspect of their programme with EC, we ask that they inform us immediately. Most problems are small and can be quickly resolved by our staff members. During the first week of school, all students are given an Initial Course Evaluation form, in which they are asked to evaluate various aspects of their stay, such as tuition, accommodation and leisure. The form also allows students the opportunity to bring to our attention anything that is not to their satisfaction should they feel unable to speak to us directly. Solutions to any issues will be provided and all necessary parties will be notified when applicable. Students are also requested to complete an End of Course Evaluation form at the end of their stay such that they have the opportunity to provide EC with general feedback before returning to their home country.

## End of Course Certificate

Students must attend all lessons and organised activities in order to receive their End of Course certificate.

## Pocket Money

EC does not provide a pocket money service for students attending courses for less than 4 weeks. Parents should ensure their children have sufficient pocket money for the duration of their stay. Should students require pocket money during their stay, parents are asked to transfer funds through an international transfer service.

## Discipline

In order to manage student behaviour, EC staff may issue a formal warning, notify parents, ban students from an activity or withhold the End of Course certificate, if the student misbehaves.

## EXPULSION

EC reserves the right to expel and repatriate a student at his/her own expense for any of the reasons including but not limited to the circumstances listed below:

- Possession and/or use of any illegal drugs
- Consumption of alcohol
- Malicious damage to school property and/or place of accommodation
- Being a danger to his/her own safety or that of other students
- Breaking Maltese law
- Repeated failure to attend academic lessons and/or activities

In any of the above circumstances the student will be informed that their stay is going to be terminated with immediate effect. Simultaneously EC will inform the student's agent about the student's behaviour and the course of action to be taken. The earliest flight available will be booked and an EC staff member will accompany the student to the airport to ensure that the student leaves the country safely. Following such action EC will terminate all relationships with the student and will be unable to take further responsibility for the student. No refunds will be given to any student who has been expelled.
