

San Telmo Student Residence Double Room

Book Now

The San Telmo Student Residence offers communal living in a fun and sociable atmosphere with both Argentine and other international students in the neighborhood of San Telmo. It is a large residence with 41 bedrooms over 6 floors. Students who want to meet lots of new people and are looking for an economical housing option in Buenos Aires can choose to stay in a double room in the residence, shared with another student of the same sex. It is not necessary to come with a roommate as we will assign you one.
